

# Interview with farid rakun

The interview with farid rakun, member of ruangrupa, happened in the context of the conference *Architectures of Education* at Nottingham Contemporary in November 2019. In the interview conducted by Manuel Ángel Macia, rakun explored ruangrupa's project in Jakarta, the ideas behind the notion of 'collective of collectives', and the upcoming Documenta 15.

Manuel Ángel Macia is an artist, researcher, and lecturer at the School of Architecture Design and the Built Environment, Nottingham Trent University.
